Dear D. Sharlene Turner,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2019-290-WS - Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer not by my choice. This is the only sewer service available to me.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Another rate hike should not be approved until our rates are based on our usage, and they become more responsible and careful about handling the waste water.
Water consumption information should be available to Blue Granite. There are only two of us living here, and we usually pay around \$40.00 a month for water. That includes a \$5.00 contribution to their Youth Works program. Our Blue Granite bill is currently \$65.08.
Our septic system requires 2 very large and expensive holding tanks. Solids collect and only the liquid waste is pumped to the sewer line. Periodically the tank storing solid waste must be pumped clean by an independent service company adding an additional expense.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

I can't
